The Greater Houston Partnership and the City of Houston, in collaboration with the Japan External Trade Organization (*JETRO*), invite you to participate in a trade and investment mission to Japan led by Mayor Sylvester Turner, City of Houston and Bob Harvey, President and CEO of the Greater Houston Partnership, from October 22 to October 30, 2022.

The mission will focus on reinforcing our relationship with key Japanese allies, promoting the Houston region as a premiere global city, and establishing new avenues for cooperation and investment in the areas of the energy transition, innovation, advanced manufacturing, transportation and mobility, and tourism. The delegation will also have an opportunity to join in the celebration of the 50th Anniversary of Houston's sister city relationship with Chiba and attend a special performance of Swan Lake as part of the Houston Ballet's international tour in Tokyo.

We are looking for prominent Houston companies in related industries to join and support this mission as we work to enhance our business, cultural, and government relationships with Japan.
